TECHNICAL DATA

FOREMOST 3123-ES GRIME-X

Rev. 1-29-10

- DESCRIPTION:** A highly concentrated, low sudsing liquid cleaning agent especially formulated for use in steam or extraction carpet cleaning machines. It is a powerful steam carpet cleaner that penetrates deep to remove hidden soils, and is trouble free from foam interference of cleaning action and vacuum pick-up.
- APPLICATION:** Recommended for use in removing many types of stains, such as sugar, coffee, soft drinks, chocolate, syrup, food, dirt, polish, etc. from carpets. This product is accepted for use in hotels, motels, apartment housing, industry, institutions, schools, nursing homes and hospitals.
- DIRECTIONS:**
- FOR STEAM OR EXTRACTION MACHINES:** When cleaning, use 2 to 4 ounces of cleaner per gallon of water in the tank of your machines. If you are cleaning heavily soiled carpet, you may need to increase the ounces per gallon for better results.
- FOR PRE-SPRAY CARPET:** Use 6 ounces of cleaner per gallon of hot water in spray tank. Heavy traffic areas or dirtier areas may need more spraying than other areas.
- FOR PISTOL GRIP SPRAY BOTTLES:** When using a pistol grip sprayer for spotting, mix ½ concentrate and 1/2 water. Spray the dirty spot and then tap with a spotting brush rinsing with your cleaning machine or blotting with a towel.
- NOTE:** If furniture is replaced before the carpet is dry, place furniture pads under the legs.
- PRECAUTIONS:**
- KEEP OUT OF REACH OF CHILDREN.** Contains ethylene glycol monobutyl ether. May cause eye and skin irritation. Avoid contact with eyes and skin. Do not take internally.
- FIRST AID: EYES:** Flush eyes with plenty of water for at least 15 minutes. Get medical attention.
SKIN: Wash with soap and water. Get medical attention if irritation occurs. Remove and wash contaminated clothes. **INGESTION:** See physician immediately.
- Before using this product, read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.
