TRAPS DUST
with magnetic-like grip...

HOLDS DUST
at floor level

KEEPS DUST OFF
merchandise, shelves, and work objects

Authorized by USDA for use in federally inspected
meat and poultry plants.

IMPARTS A LIGHT SHEEN TO MOST FLOORS

DUST COMMAND PLUS is an easily applied ionically charged liquid designed to attract dust and hold it at floor level. Dust Command attracts and neutralizes the electrostatic charge in most dirt, plastic, paper, wood, metal, fabric and other industrial dust particles.

EASY TO USE—ECONOMICAL—Dust Command's chemically induced ionic attraction and absorption qualities last 7 to 14 days. One gallon covers 8,000 to 15,000 square feet. Using an ordinary 2 or 3 gallon garden-type sprayer, application is as fast as one can walk.

DUST COMMAND PLUS minimizes or eliminates stirring-up of dust particles by fork lifts, floats, foot traffic, or air movement . . . Even when vigorously swept, dust will seldom rise above the knee level.

DUST COMMAND PLUS makes sweeping easier and also, because of a built-in emulsifier, quickly releases when washed, mopped, or scrubbed.

Treat Mops or Floor:

Enthusiastically Recommended for Floors in:

- * Manufacturing Plants and Mills
- * Warehouses
- * Auto Body Shops
- * Paint Shops
- * Paper Converters
- * Wholesalers
- * Furniture Industry
- * Printing Plants
- * Clothing and Textile Plants

DUST COMMAND PLUS solves problems in production areas—protects machinery, equipment, switches. Warehoused finished goods stay clean and dust-free.

Also highly superior treatment for:

- Air Conditioning Filters
- Paint Booth Filters
- Yarn Brooms & Dust Mops

PACKED IN 55 GALLON DRUMS

TECHNICAL DATA

FOREMOST 3128-US DUST COMMAND WATER BASE PLUS

Rev. 11-30-04

DESCRIPTION: A unique liquid formulation designed for keeping dust down on concrete and wood floors or other problem surfaces. It cuts labor on cleaning floors and keeps dust off merchandise and work objects. Applied to floor by person spraying while walking at normal pace.

APPLICATION: Recommended for food warehouses, paint shops, body shops, furniture plants, manufacturing plants, maintenance shops, anywhere a method to keep dust down is required.

DIRECTIONS:

FOR FLOOR SPRAYING:

1. Fill sprayer approximately ½ full and pump up sprayer. Lock handle.
2. Adjust nozzle to obtain a fine spray mist.
3. Spray a light even coat on the floor.
4. Sweep floor.
5. Residual effect lasts 7-14 days.

FOR DUST MITT AND BROOMS:

1. Spray a fine mist on dust mitt or yarn broom.
2. Respray lightly between uses.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** May cause eye and skin irritation. Avoid contact with eyes and skin. No irritation is likely following short contact periods with human skin. Prolonged and/or repeated exposure may lead to redness, swelling, and irritation. Do not take internally.

FIRST AID: EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get medical attention if irritation persists. **SKIN:** In case of contact, flush with plenty of water. **INGESTION:** Get medical attention.

Before using this product, read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.
