

4023-ES HANDY-SAN

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

PROTECT PERSONNEL FROM THE TRANSMISSION OF MRSA AND OTHER DEADLY INFECTIONS

**Effective
against
MRSA!**

ACCORDING TO THE CENTER FOR DISEASE CONTROL, SKIN-TO-SKIN CONTACT IS THE MOST IMPORTANT CONTRIBUTOR TO TRANSMISSION. PEOPLE NEED TO KNOW THAT HYGIENE IS REALLY IMPORTANT.

FM 4023-ES HANDY-SAN is a vital tool for the protection of personnel against infection.

FAST ACTING — Kills 99.9% of most common germs that cause illness in as little as 15 seconds!

NON-DRYING FORMULA — Contains no alcohol to dry out skin. Contains glycerine to moisturize skin.

SAFE — No alcohol formula is nonflammable.

PLEASING FRAGRANCE — New scented formula eliminates the “medicinal” odor commonly associated with sanitizing agents.

FAST DRYING — Foam pump delivers quick drying formula.

ECONOMICAL — Foam pump dispenser delivers “pumped up” volume for good coverage. Hundreds of applications in every bottle.

CONVENIENT — Small portable non-leaking dispenser fits easily into pockets, glove boxes, toolboxes, and drawers. Readily available product ensures more frequent use.

**CONVENIENTLY PACKAGED:
24/1.7 oz. Pump Bottles per Case**

TECHNICAL DATA

FOREMOST 4023-ES HANDY-SAN

Rev. 05-06-08

- DESCRIPTION:** An instant hand sanitizer with foaming pump, FM 4023-ES Handy-San kills 99.99% of most common germs that cause illness in as little as 15 seconds.
- APPLICATION:** Use for hand washing to decrease bacteria on the skin, only when water is not available. Small portable non-leaking dispenser fits easily into pockets, glove boxes, toolboxes, and drawers. Readily available product ensures more frequent use.
- DIRECTIONS:** Press pump twice to deliver two squirts (about a quarter size) of foaming product onto the palm of your hand. Rub hands together until dry. Wash hands with soap and water at earliest opportunity.
- PRECAUTIONS:** For external use only. When using this product, do not get into eyes. If contact occurs, rinse eyes thoroughly with water. Stop use and ask a doctor if irritation and redness develop. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.
- Before using this product read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.
