

FM 4028-ES
SANI-FOAM
Antibacterial Foam Soap

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

HELPS PREVENT THE SPREAD OF CONTAGIOUS DISEASE

EASY TO USE DISPENSER

PRE-PACKAGED PRODUCT

FOAMS TO INSTANT RICH LATHER

WHY FOAM?

Unique combination of dispenser and product that delivers hand cleaner and sanitizer in a foam rather than a liquid.

Antibacterial foam lotion soap with a mild floral scent spreads to cover more surface for more thorough cleaning.

Foam is 99% effective against most common bacteria and consumes less product - up to 1,400 applications per container.

Foam is instant lather meaning less time is spent working up lather and less water is consumed.

Effective—Sani-Foam is completely neutral for most sensitive skins and recommended for daily use in cleaning and moisturizing.

Sani-Foam comes prepackaged in one liter cartridges, which are sealed for safety and easily replaced without mess.

Collapsing cartridge leaves almost no product, cutting waste to save money.

IDEAL FOR:
RESTAURANTS — DAYCARES — SCHOOLS
HOTELS — FOOD PROCESSORS
HOSPITALS — NURSING HOMES

Packed in Cases of 24 Liter Cartridges

TECHNICAL DATA

FOREMOST 4028-ES SANI-FOAM

Rev. 11-16-09

DESCRIPTION: A highly effective sanitizing hand soap especially designed to prevent the transfer of bacteria. This product cleans, sanitizes and deodorizes while soothing the skin. It produces rich, abundant lather and rinses freely. Foremost 4028-ES Sani-Foam is completely neutral for the most sensitive skins and is pleasantly scented.

APPLICATION: Recommended for daily use in cleaning and moisturizing the skin. All lavatory dispensers should be equipped with this soap for use each time personnel wash or shower during the day.

DIRECTIONS: Eject some Sani-Foam into hands or on washcloth. For shower, spread over entire body, working to a lather. Rinse and dry with clean towel.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** May cause eye irritation. Avoid contact with eyes. Do not take internally.

FIRST AID: In case of contact, immediately flush eyes with large amounts of water until burning ceases. Get medical attention immediately if irritation persists.

Before using this product, read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.

FACTS

1. It is bactericidal
2. Prevents skin infection
3. Controlled pH
4. Versatile

BENEFITS

1. Provides bacteria killing power in addition to its soil removal and cleansing action
2. Perfect rinsing
3. No harsh effects from unbuffered alkali or acid
4. It is completely rinsed away by plain water leaving no trace of residual soap to irritate the hands
5. May be used in all food processing plants, bathrooms and wash rooms, restaurants, metal fabricating plants, hospitals, and schools
