

4037-ES
ZIP POWER
HAND CLEANER

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

Hard Working Hands Deserve Special Care

**Specially Formulated For Automotive Body Shops,
Furniture Finishers, And Printers**

Excellent For Removing:

- Paints
- Stains
- Inks
- Lacquers
- Varnishes
- Urethanes
- Graphite
- Glue
- Mastics
- Tars/Oils
- Adhesives
- Resins

FM 4037-ES Zip Power Hand Cleaner

readily liquefies, emulsifies and rinses paints, stains, inks, and adhesives from the hands of hard-working people. Soaps and conventional waterless hand cleaners do not remove paints and varnishes from cuticles, creases or fingernails.

Emollients help condition and restore chapped, cracking and peeling skin.

CONVENIENTLY PACKAGED:

- 12/1 gal. per case
- 48/1 qt. per case
- 24/1 pt. per case

Zip Power in handy flip-top quarts and wide-top pints - ideal for mobile service technicians.

The FM 9582 Master Wall Mount Dispenser provides a convenient way to dispense Zip Power in shops and service areas.

TECHNICAL DATA

FOREMOST 4037-ES ZIP POWER

Rev. 05-04-99

DESCRIPTION: A highly effective, gentle, liquid, cream-type cleaner designed for the removal of most paint and inks, soot, graphite, adhesives, cements, mastics, tars, and oils.

APPLICATION: Removes grease, dirt, grime, carbon, etc. Emollients smooth rough skin. Will not irritate skin and does not cause chapping, cracking and drying.

DIRECTIONS:

- Shake well before using.
- 1. Apply a small amount to dry hands and rub until grime is loosened.
- 2. Simply wipe dry. OR: Add a few drops of water and rub again until cleaner is liquefied.
- 3. Then rinse hands liberally with water and wipe dry.

PRECAUTIONS: Synthetic cleaning compound contains refined mineral oil. Keep away from heat and open flame. Avoid contact with eyes. Harmful if swallowed. Not intended for use in food or foodstuffs.

FIRST AID: EYES: In case of contact, immediately flush eyes with large amounts of water until burning ceases. Get medical attention immediately, if irritation persists.

INGESTION: If swallowed, do not induce vomiting. See physician immediately.

Before using this product, read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.
