

**4313-ES**  
**HI GLOSS**  
 WATER BASE STAINLESS STEEL POLISH  
 & CLEANER - AEROSOL

**SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947**

**CLEANS AND POLISHES STAINLESS STEEL**

**WATER BASED -**  
*No Residual Oily Film*  
**USDA Accepted**

**NO CHLORINATED SOLVENTS** — Contains no environmentally hazardous solvents.

**OIL-FREE SURFACE** — Protects against smears and fingerprints. Most smudges will buff out without further cleaning. Non-abrasive, no gritty residues or abrasives which might scratch polished surfaces. Cleans chemically, not physically.

**EASY-TO-USE** — Economical aerosol is practically mistake-proof. Just foam on and wipe off.

# TECHNICAL DATA

## FOREMOST 4313-ES HI GLOSS STAINLESS STEEL POLISH & CLEANER

Rev. 10-30-13

**DESCRIPTION:** A unique water-based formulation in aerosol especially designed to clean, polish and preserve stainless steel, chrome and aluminum surfaces. It contains no environmentally hazardous solvents, gritty residues or harmful abrasives, which might mar or scratch the surface. Foremost 4313-ES, by eliminating residual oily film, protects the surface from smudges and finger prints. Cleans chemically, not physically.

**APPLICATION:** Use on all types of stainless steel window frames, trims, doors, corridor guards, kick plates, autoclaves, dishwashers, refrigerators, freezers, sterilizers, etc. Also excellent for chrome.

**DIRECTIONS:** Hold can upright. Press button and spray a small area until wet. Use sparingly. Clean with one cloth and polish with a clean, dry cloth. The gloss is renewed and will be retained. The cleaning process is simple. No rubbing is required. Contains no acid or abrasive substances. Will not leave a powdery residue.

Not to be used on cooking utensils, such as pots, pans, knives, forks or spoons.

**PRECAUTIONS:** **CAUTIONS:** May cause mild eye irritation. Prolonged or repeated contact may cause skin irritation. High concentration or prolonged inhalation exposure can be irritating to eyes, nose and respiratory tract. Can cause dizziness, headaches and incoordination. Misuse or intentional misuse may be harmful or fatal. May affect the following organs upon prolonged or repeated overexposure: Nervous system.

**FIRST AID: EYES:** Immediately flush with plenty of water for at least 15 minutes. Get prompt medical attention. **SKIN:** Wash with soap and plenty of water. **INHALATION:** Remove to fresh air. If symptoms develop, seek immediate medical attention. If not breathing, give artificial respiration. **INGESTION:** In the unlikely event of swallowing: Call physician immediately. Do NOT induce vomiting unless directed by medical personnel. Never give anything by mouth to an unconscious person.

Before using this product, read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.
