

5055-ES
KNOCKOUT
NON-SELECTIVE WEED KILLER AEROSOL

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

BEFORE

FM 5055-ES Knockout is an effective general herbicide for use on non-cropland areas for control of brush, undesirable weeds and grasses.

AFTER

Immediate weed burn down and season long residual control.

CONVENIENT INVERTED AEROSOL DISPENSES A STREAM SO THE APPLICATOR MAY SPRAY FROM AN UPRIGHT POSITION.

BENEFITS

- ❖ Ready To Use - No Mixing
- ❖ Non Selective
- ❖ Soil Sterilant
- ❖ Fast Acting - Long Lasting
- ❖ Non Flammable
- ❖ Creates No Hazardous Disposal
- ❖ Self Dispensing Aerosol - No Sprayers

USE AROUND

- ❖ Tank Farms
- ❖ Rail Siding
- ❖ Fence Lines
- ❖ Storage Yards
- ❖ Buildings
- ❖ Parking Lots
- ❖ Any Hard to Reach Area

Rev. 9-20-13

Packed in 16, 8, and 4 dozen cases (Net. Wt. 15 oz.)

TECHNICAL DATA

FOREMOST 5055-ES KNOCKOUT

Rev. 12-12-05

- DESCRIPTION:** FM 5055-ES Knock Out is a solvent based non-selective weed killer designed to be applied on non-cropland areas where bare ground is desired. It contains two active ingredients: Bromacil, which controls weeds through root contact and gives season-long residual control, and 2-4-D, which controls weeds through foliage and gives immediate weed burn down. The degree of weed control and duration of effect will vary with the amount of product used, soil type, rainfall and other conditions. Apply any time of year except when the ground is frozen. Best results are obtained after predominant species are well established in late spring or early summer.
- APPLICATION:** **General Weed Control:** To control most weeds for an extended period of time on non-cropland areas, such as: parking lots, fence rows, loading ramps, railroad sidings, storage yards, around buildings and industrial plant sites, apply 1 can per 36-64 sq. ft.
- To control annual weeds and grasses such as foxtail, ryegrass, wild oats, crabgrass, cheatgrass, broomsedge, ragweed, lambsquarter and turkey mullein, apply 1 can per 64-128 sq. ft. For other hard-to-kill perennial weeds and grasses, such as Johnsongrass, saltgrass, bouncing bet, bracken fern and horsetail, apply 1 can per 36 sq.ft.
- DIRECTIONS:** IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING. Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes. For use on plants in non-crop and non-timber areas only. Not for use on crops, timber, or other plants being grown for sale or other commercial use, or for commercial seed production, or for research purposes.
- PRECAUTIONS:** **KEEP OUT OF REACH OF CHILDREN.** Hazardous to Humans and Domestic Animals. **CAUTION:** May be fatal if swallowed, absorbed through skin or inhaled. Causes skin irritation. Do not breathe spray mist. Do not get in eyes or on clothing. **PERSONAL PROTECTIVE EQUIPMENT (PPE):** Applicators and other handlers must wear: Chemical-resistant gloves (Category A); Long-sleeved shirt and long pants; shoes plus socks. **USER SAFETY REQUIREMENTS:** Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. **ENVIRONMENTAL HAZARDS:** Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.
- FIRST AID: IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
- Before using this product, read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.
