TECHNICAL DATA

FOREMOST 6001-ES DEO ZORB

Rev. 4-1-11

DESCRIPTION: Deo Zorb is an easy to use absorbent specially formulated to aggressively absorb and fully clean all types of water-based spills. This product contains a unique odor counteractant which enables it to destroy even the toughest odors. It is the most effective odor control absorbent available. Deo Zorb will instantly absorb over 100 times its own weight, which means that in seconds, one 12 oz can is able to convert up to 10 gallons of liquid into an odor-free, easy-to-clean semi-solid. Deo Zorb is non-toxic and biodegradable, making it user and environmentally friendly.

APPLICATION: For use in: warehouses, food plants, manufacturing facilities, automobiles, airplanes and boats, public transportation, schools, amusement parks, nursing homes/hospitals, day care centers, or anywhere spills occur.

DIRECTIONS: Sprinkle evenly on liquid spill. Wait a few moments for absorption to occur. Sweep up and dispose of properly.

Suggested Uses and Directions

APPLICATIONS	PROBLEMS	RECOMMENDATIONS
Automobiles	Sickness, Messy spills	Sprinkle to absorb and congeal. Eliminates malodor and mess.
Airplanes, Boats	Motion Sickness, spills	Sprinkle on motion sickness accidents and messy spills for quick removal and deodorization. Great for Cruise ships.
Public Transport	Sickness/Accidents and odor	Sprinkle on motion sickness accidents for quick containment. Eliminates odors, thereby avoiding additional sickness.
Schools	Sickness, spills/accidents	Sprinkle on spills, vomit, etc. to deodorize and absorb.
Amusement Parks	Sickness/Accidents	Save time on clean-up by sprinkling on accidents. Deoderizes and absorbs.
Nursing Homes/Hospitals	Sickness	Deodorizes and absorbs vomitus, urine, etc. for quick removal.
Day Care Centers	Sickness/Accidents	Sprinkle to deodorize and absorb vomitus, urine, etc.

PRECAUTIONS: **KEEP AWAY FROM CHILDREN.** Do not dispose of in sinks, toilets, bathtubs, or sewer systems. Spilled materials are slippery. Spills should be picked up and surfaces cleaned immediately to avoid slip hazards. Absorption rate may vary based upon thickness of spill to be absorbed. All materials absorbed must be disposed of in a proper method based on local, state, and federal regulations.

Before using this product, read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.
