

**601-ES
DUO**
Carpet and Uphostery Shampoo

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

FAST-ACTING SOIL REMOVAL...

THIS

NOT THIS

ALWAYS USE FM 601-ES,

LABOR COSTS TOO MUCH TO USE LESS EFFECTIVE CLEANERS

VERSATILE—Just find a fabric; Foremost 601-ES is your best bet! Motel carpets and furniture to aircraft and auto upholstery; theatre seats to office rugs.

EVEN SMELLS CLEAN—Cigar and cigarette smoke penetrates and permeates fabrics, makes rooms and vehicles stuffy, unpleasant, even malodorous. Simply clean carpets and upholstery with Foremost 601-ES and as a no charge bonus, the area is left with a clean, fresh, pleasant smell that no amount of perfume spray can duplicate.

NEUTRAL—Safest detergent for wide spectrum of fabrics. Near neutral pH and controlled action. Always test fabric for color-fastness in an inconspicuous area. For all machines: Dry foam or rotary.

ECONOMICAL—Dilutes with 6 to 10 times its volume with water. More important: dynamic dirt-grabbing Foremost 601-ES solutions amplify and multiply the effectiveness of labor used. Manual: Brush, sponge or dry mop.

NOTE
There is no perfect fabric shampoo. Occasionally some spots or stains must be treated with FM 666-ES Super Stain Remover. But Foremost 601-ES is EXTRA SPECIAL—It's the best you can buy! It will come closer to perfection than any other product we have found for comparison.

RECOMMENDED FOR:

- Apartments
- Motels
- Theatres
- Hospitals
- Department Stores
- Offices
- Aircraft
- Car Dealers
- Builders

Or wherever rugs, carpets, runners, upholstered areas or fabric seating must be economically maintained.

TECHNICAL DATA

FOREMOST 601-ES DUO CARPET AND UPHOLSTERY SHAMPOO

Rev. 09-02-03

DESCRIPTION: A highly concentrated liquid that forms an abundance of suds which penetrates, emulsifies and suspends deeply embedded soils for fast and efficient cleaning. It is non-flammable, economical to use, and will not stain or leave greasy deposits when used as directed.

APPLICATION: Recommended for use in removing many types of sugar, coffee, soft drinks, chocolate, syrup, blood, dirt and polish soils from upholstery and carpeting. Occasionally, spotting solutions will be necessary to remove tenacious stains.

DIRECTIONS: **MANUAL:** To make a ready-to-use solution, mix one part of this concentrate with 4 to 10 parts water. Agitate to create foam. Use the foam for cleaning. Apply foam with stiff brush, cloth or sponge. Wipe off excess foam after cleaning. It is best to clean only a small section at a time. When using a cloth or sponge for application, rinse frequently, wringing thoroughly after each rinse to remove accumulated contamination.

MACHINE SHAMPOOING: Dilute one part of concentrate to 6 to 10 parts water.

Use only on color-fast fabrics. Stir the concentrate being used, especially if temperature of solution is below room temperature. Shampoo carpet with overlapping applications of the brush. Allow carpet to air dry.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contains Ethylene Glycol Monobutyl Ether. May cause eye and skin irritation. Avoid contact with eyes and skin. No irritation is likely following short contact periods with human skin. Prolonged and/or repeated exposure may lead to redness, swelling and irritation. Do not take internally.

FIRST AID: EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get medical attention if burning persists. **INGESTION:** Get medical attention.

Before using this product, read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.

FACTS

1. Liquid
2. Neutral detergent
3. Water soluble
4. Concentrated
5. Colorless
6. Non-toxic
7. Anti-corrosive
8. Perfumed
9. High foaming

BENEFITS

1. Easy to prepare and use solution
2. Will not react with any color-fast fabrics
3. Safe on all synthetic fabrics
4. A little goes a long way
5. Will not stain fabrics
6. Safe around metallic surface
7. Imparts nice clean fragrance
8. Floats embedded soils from the fabrics
