AFTER

Watch as stains quickly disappear.

Hard-To-Remove Stains Disappear From Carpet, Upholstery And Fabrics

PROFESSIONALLY PROVEN—Super Stain Remover is the most effective carpet and upholstery stain remover available today! A tested formulation of many stain fighting agents selected for removing various categories of stubborn stains.

DEODORIZES—With Super Stain Remover's unique odorless formula, most odors disappear along with the stains—leaves the area clean and fresh smelling.

EASY-TO-USE—Simply: 1. Apply. 2. Agitate. 3. Blot. Most stains disappear in seconds.

VERSATILE—Super Stain Remover can be applied to many other materials such as metal, Formica®, tile, plastic, chrome, porcelain, rubber and wood.

PROTECTS—Super Stain Remover may be used on most all carpet and upholstery and other fabrics without fear of damage. It is non-toxic, non-flammable, ringless; has a neutral pH. However, always test in an inconspicuous area for colorfastness.

— NOTE —

Today, carpet, upholstery and other fabrics are extremely expensive items to replace. Pennies can save hundreds of dollars. It's well worth an economical application of Super Stain Remover to remove unsightly stains. Also restores and brightens colors dulled by soap film.

ENTHUSIASTICALLY RECOMMENDED FOR THE REMOVAL OF THESE PROBLEM STAINS—

- Grime
- Iodine
- Oil Stains
- Chocolate
- Crayons
- Grass Stains
- Blood
- Cosmetics
- Raw Eggs
- Beverages (coffee, tea, cola, wine, milk, etc.)
- Ketchup
- Food Stains
- Grease
- Shoe Polish (most)
- Latex Paint
- Hair Dye (most)

SUPER STAIN REMOVER will not remove indelible ink or dye, nor can it restore color to bleached or discolored fabrics.

TECHNICAL DATA

FOREMOST 666-ES SUPER STAIN REMOVER

Rev. 02-01-11

DESCRIPTION: A ready-to-use liquid stain remover, cleaner and deodorizer for carpet, fabric and upholstery. It is non-toxic, non-flammable, non-acidic and odorless. Foremost 666-ES Super Stain Remover is stable, and its strength will last for years as long as the cap is kept tightly closed.

APPLICATION: Recommended for removal of the following: pet stains, blood, food stains, grass stains, iodine, beverages, ketchup, grease, oil stains, shoe polish, crayon, latex paint, chocolate, raw eggs, candle wax and heavy grime stains. It can be applied to many other surfaces such as metal, Formica, tile, plastic, chrome, porcelain, rubber and wood.

DIRECTIONS: **FOR CARPET AND UPHOLSTERY:**

1. Apply Foremost 666-ES Super Stain Remover liberally to the surface.
2. Agitate thoroughly with fingertips.
3. Blot with an absorbent towel (repeat steps if necessary).

HELPFUL HINT: When removing stains from large areas, you may wish to use a 1 or 2 gallon hand sprayer. A clean broom can be used to agitate, and dry absorbent mop head for blotting.

FOR EXTRA STUBBORN OR "SET" STAINS: Prespot with Super Stain Remover, then follow with shampooing or hot water extraction procedure. For upholstery stains, follow with shampoo and a hand brush.

NOTE: Will not remove indelible ink, dye or any other chemical which has permanently discolored or bleached fabric. Keep lid tightly closed when not in use. **Always test in an inconspicuous area to check for colorfastness.**

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** May cause irritation to eyes. Repeated contact may cause redness and dry, cracked skin. Avoid contact with eyes. Do not take internally. Wash thoroughly after handling.

FIRST AID: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. If irritation persists, seek medical attention.

Before using this product, read the Material Safety Data Sheet (MSDS) for more detailed information regarding safe handling.
