

4317-ES BRASS BRITE

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

CLEANS, POLISHES AND PROTECTS— ALL IN ONE OPERATION.

EASY-TO-APPLY

RESTORES HIGH LUSTER TO BRASS, COPPER & BRONZE

FOREMOST 4317-ES BRASS BRITE—is a highly effective, though gentle, cream type cleaner designed for cleaning and polishing metal surfaces.

PLEASANTLY SCENTED—Brass Brite cream texture works easily and quickly to remove green oxidation from brass, copper and bronze surfaces. Cleans and restores high luster in one operation.

BRASS BRITE—is recommended for faster and better cleaning than with old fashioned powders, pastes and liquids. Also removes soils, scum and stains from porcelain, enamel, stainless steel, metal and many other hard, bright surfaces. Restores gloss and luster to stainless steel and chrome.

RECOMMENDED FOR USE ON —

- Brass
- Bronze
- Chrome
- Magnesium
- Ornamental Objects
- Railings
- Doors
- Kick Plates
- Fixtures
- Copper/Nickel
- Aluminum

TECHNICAL DATA

FOREMOST 4317-ES BRASS BRITE

Rev. 11-10-15

DESCRIPTION: A highly effective though gentle, cream type cleaner designed for cleaning and polishing metal surfaces. Foremost 4317-ES Brass Brite cleans and polishes in one operation. It contains no ammonia or offensive odors.

APPLICATION: Recommended for use on brass, bronze, chrome, magnesium, copper, aluminum, stainless steel, and nickel.

DIRECTIONS: **NOTE:** Shake well before using.

FOR HEAVY OXIDATION:

1. Apply with soft clean cloth or paper towel.
2. Rub gently and as long as necessary or until black residue appears.
3. Buff with clean cloth.

FOR LIGHT TO MEDIUM OXIDATION:

1. Apply same as above with soft clean cloth or paper towel.
2. Use sparingly and let dry.
3. Polish and buff with clean soft, dry cloth.

NOTE: Do not use on silver, lacquered, painted or antique finish surfaces. After polishing food contact items, rinse with potable water prior to use.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contains petroleum distillates. Keep away from heat and open flame. Harmful or fatal if swallowed. Avoid contact with eyes.

FIRST AID: EYES: If contact with eyes, flush with plenty of water. **INGESTION:** Do not induce vomiting. See physician immediately.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
