

641-ES
STAINLESS STEEL CLEANER
CLEANER-POLISHER

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

CLEANS
AS IT
POLISHES

REJUVENATES STAINLESS AND ALUMINUM
SURFACES AND EQUIPMENT

REMOVES fingerprints, smudges, light greases and soils without scratching or marring the surfaces.

RESTORES natural lustre to ornamental metal finishes. Polishing agents contained as a bonus feature produce results you can see as well as feel.

PROTECTS against smears and fingerprints. Most smudges will buff out without further cleaning.

TECHNICAL DATA

FOREMOST 641-ES STAINLESS STEEL CLEANER

Rev. 1-17-19

- DESCRIPTION:** An efficient cleaner formulated with a balanced blend of solvents and emulsifiers. It is designed to remove smudges, soils and stains and at the same time brightens and polishes stainless steel. Can be equally effective for use on aluminum, chromium, formica, porcelain and ceramic tile. It actually forms a shield that resists water marks and rusting.
- APPLICATION:** Recommended especially for cleaning stainless steel, aluminum, chromium, formica, porcelain, and ceramic tile in factories, institutions, restaurants, hospitals, schools, hotels, motels, and offices.
- DIRECTIONS:** Use without dilution. Brush or spray directly on the surface to be cleaned. Agitate or use rubbing action for several minutes, and wipe dry with a towel or clean cloth.
- PRECAUTIONS:** **KEEP OUT OF REACH OF CHILDREN.** Contains aliphatic petroleum distillates and isopropyl alcohol. **FLAMMABLE LIQUID.** Keep away from heat and open flame. Do not take internally. May be harmful if swallowed. If ingested, get immediate medical attention. Avoid contact with skin and eyes. Keep container closed when not in use.
- FIRST AID: EYES:** Flush with large amounts of water, lifting upper and lower lids occasionally. Get medical attention. **SKIN:** Wash thoroughly with soap or mild detergent and water. **INGESTION:** Get immediate medical attention. If swallowed induce vomiting immediately as directed by medical personnel.
- Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
